

NOTICE

"Sealcoating of Leisure Park roads is scheduled to begin on Tuesday, May 28th, and will continue over a period of two weeks, weather permitting. Any delays due to rain will be moved to the end of the schedule so as not to disrupt all the other days. The LP Board thanks all residents in advance for their patience and understanding of the traffic disruptions that will necessarily occur. We ask that you please respect the barricades and use alternate routing through our road system when encountered. Plan ahead if you need to travel on the day your road is being sealed, by parking your vehicle in the Clubhouse Parking area or on a nearby road on the night before the work is scheduled. In general, no travel on a scheduled road should occur between 8am and 6pm to allow time for the sealcoat to cure. You don't want a black-striped driveway, right? Management will attempt to provide additional updates/reminders by phone and/or email 1-2 days prior to the following scheduled dates."

REMINDER!! PLEASE TURN OFF SPRINKLERS THE NIGHT BEFORE WORK IS SCHEDULED TO BEGIN ON ROAD SECTIONS IN FRONT OF YOUR HOME.

Tentative Roadwork Schedule

- Tuesday, May 28..... Leisure Drive (between Linwood and Woodlawn).
- Thursday, May 30.....Woodlawn Drive (Between Linwood and Progress) plus Tanglewood Ct., and the first 100 ft of Dogwood at the intersection with Leisure Drive .
